## **INTRODUCTION**

In the fall of 2016 two professors of Political Science at Colorado College, Thomas E. Cronin and Robert D. Loevy, were offered the opportunity to write periodic opinion columns for the local newspaper – the *Colorado Springs Gazette*. This launched a longtime project of the two professors writing for the newspaper for a number of years.

Previously Tom Cronin and Bob Loevy had written together for the *Denver Post*, but only periodically. They also collaborated on a book on government and politics in Colorado.

This book is the Index for a multi-volume collection of the newspaper stories Cronin and Loevy wrote for the *Denver Post* and the *Colorado Springs Gazette* from 2010 through 2021. There is a separate book for the years 2010-2016. After that there is a separate book for each year from 2017 through 2021:

2010-2016  
2017  
2018  
2019  
2020  
2021

Subjects are indexed by year and book page, i.e., 2017, 24.
